
INTERVIEW QUESTIONS

CHOOSING THE RIGHT
CARE PROVIDER FOR YOU

LOGISTICAL QUESTIONS:

- What routine procedures do you do?
- What is your C-section rate?
- How often do you induce?
- How often do you do episiotomies?
- How often do you do assisted delivery?
- Will you break my water or allow it to break on its own?
- What positions can I deliver in?
- Can I move around during labor?
- What is your policy on having an IV?
- What prenatal tests do you require?
- Will you attend the birth or do you work in a group?

BIRTHING PHILOSOPHY QUESTIONS:

- What is your birth philosophy?
- How do you feel about a doula in the labor room?
- What is your view on pain relief during labor?

SITUATIONAL QUESTIONS:

- If labor is "long" or stalled what would you do?
- At what point past my due date will you suggest induction?

SPECIAL SCENARIO QUESTIONS:

- Will you attend a VBAC or VBA2C birth?
- Will you attend a vaginal or natural twin birth?
- Would you attend a breech birth?
